KITCHENS:

The Heart of Every Home

Renovation tips for the kitchen of your dreams!

Thursday, February 19, 2015 from 7:00 - 9:00 p.m.

RE/MAX Escarpment - 2180 Itabashi Way, Unit 4A, Burlington

Many people consider the kitchen to be the heart of the home... but who hasn't picked up a Home Décor magazine while waiting for an appointment and looked longingly at those dream kitchen pictures? Whether you are ready for a complete kitchen renovation from top to bottom, or are just interested in exploring the possibilities – this event has been created just for you!

The first hour of this event puts you front and centre with KITCHEN RENOVATION EXPERTS who will walk you through the renovation process, from design drawings to project completion, including panelists from WhiteWillow Designs, Artisan Contracting, Goeman's Appliances, Tom Lesnick Home Inspections, RBC Mortgages & H2 Systems, for the latest in Kitchen Technology. We will end the evening with an open question & answer session, giving you an opportunity to direct your own renovation questions directly to the expert of your choosing.

REGISTER TODAY!

RE/MAX Escarpment is proud to offer this **FREE EVENT** to our Clients and Agents...part of our commitment to help you

EXPERIENCE OUR EXPERIENCE!
