LOCATION! LOCATION!

Sought after location...66' wide lot with a ton of potential. This home has 3 second level bedrooms and one full four piece washroom. The main floor has a generous floor plan including a living room with a view to the street, dining room off the galley style kitchen. The kitchen has a wonderful bright two piece washroom. The back porch area is winterized and is home to the clothes washer and dryer. The backyard is very private backing onto the local elementary school. The garage is a very generous 17' x 21'. This is an ideal starter home.
