# WONDERFUL VIEWS

This 3 bedroom 2 bathroom condo is all about the views and lifestyle you create. The condo has an attached garage, wonderful easterly facing deck and awning. The westerly views are of the escarpment and mountain, the easterly views are all about Georgian Bay and the Collingwood grain terminals. Twenty feet from your backdoor is access to Georgian Bay, so you can easily canoe, kayak and paddle board. After your workout or leisurely paddle, jump in the condominium pool which is just a 45 second walk on the boardwalk. The property is close to skiing, golf, shopping, restaurants and of course all the associated amenities that you would expect in Collingwood. You don't want to miss this opportunity!
