LUXURY COTTAGE ALTERNATIVE

Fabulous, completely refurbished, oversized ground floor, wedge shaped, bachelor unit with separate private sleeping alcove! This cozy, fully furnished, southern facing unit looks into sunny courtyard and offers mountain views! Full kitchen with stainless appliances and granite countertops! Stone surround gas fireplace and sliding doors to patio area facing the courtyard. Sleeping accommodates up to 4 with pull out in living area. 10' ceilings provide added light and height! This location is perfect for quick and easy access from your front door to Starbucks for your morning coffee, without even going outside, and also only steps into the action of the Village core. You can simply walk to the amenities without taking the elevator! Amenities include two year round outdoor hot tubs, seasonal pool, sauna and exercise room. You don't want to miss out on this turn-key opportunity!
