WONDERFUL CREEKSIDE LOCATION!

This bright and airy bungalow has approx 1880 sq/ft on the main level with an additional 920 finished sq/ft on lower level. The open concept spaces with vaulted ceilings are beautifully designed for entertaining while defined spaces and a gas fireplace create a sense of warmth. A walkout from the kitchen to a small covered deck with Barbeque allows for year round grilling and the large deck at the rear of the home with views of the trails and mountains create an idyllic space to unwind. Located in the Creekside development this "Arkwood" model has 3 bedrooms on the main level and 2 bedrooms in the basement and 3 full bathrooms. Additional features include a large 2 car garage with 11 ft ceilings, main floor laundry with access from garage, a separate dining room which could also make an ideal home office and unfinished space in the basement could create a home gym or media room. Located close to schools, shopping and recreation this home has all you are looking for and likely more!
