# WELL MAINTAINED PROPERTY!

This single-owner, 1200 sq ft, 3 bdrm, 1 1/2 bath home sits on a sizeable lot and was built with thoughtful, practical use in mind. It is an uncluttered and well-maintained space offering a clean canvas to personalize and make it your own. The property is wooded on two sides, offering partial privacy and there is a two-room shed toward the back of the property with a finished storage area (or playroom/bunkie) and a tool shed housing all the landscaping essentials which are included with the property. In fact, all contents on the property are included which makes this place virtually turn-key, a great solution for year-round and seasonal dwellers alike.
