FOR THE DISCERNING BUYER

The Great Northern Experience.

Picture walking along the secluded shoreline on a bay of pristine waterfront as your personal gateway to deep crystal clear waters of Lake Lauzon.

Offering 140 kilometers of shore line of bays, beaches, islands and inlets all waiting to be explored.

It's time to create your getaway dream home on the ideal site within your 83 acre sanctuary. Imagine watching family and friends boating, paddling or swimming in the sandy bay as the sun sets and the camp fires are being prepared.

This unique property is located on a year round paved road accessed by a new driveway minutes from Blind River shopping and services. For the boating adventurer in the family, a public boat launch 2kms away allows easy access to Lake Huron's world famous North Channel.

Outstanding architecturally built homes have all ready taken advantage of all that Lake Lauzon and surrounding area has to offer.
